SCHOOL HEALTH SERVICES REPORT

New Hampton Community School

1961 – 1962

The necessary routine examinations were performed. Eight defects were found and corrected.

Vision tests completed - 155 and 25 defects were found. Twenty-five were treated and corrected by the family doctor.

Hearing tests completed - 172 and 9 defects were found. Eight had more complete examinations by their own physicians.

Heights and weights recorded both Fall and Spring for all students.

First aid and health equipment maintained.

The P.T.A. sponsored in January a Sodium Fluoride Clinic — 126 pupils had four applications; in May a Restoration Clinic — 22 children had 3 extractions and 55 fillings.

Pre-school registration in May was attended by 15 children.

Through the efforts of local civic organizations and the N. H. State Department of Health and Welfare one child spent four weeks at Camp Lincoln.

Home and social welfare conferences held were forty.

My sincere appreciation to the New Hampton Community School staff, the P.T.A. and parents whose cooperation has made this year's program so successful.

Respectfully submitted,

SUPERINTENDENT'S REPORT

To the Board of Education and Citizens of the New Hampton School District

I herewith submit my annual report as Superintendent of Schools:

Personnel

School opened this Fall with the same staff as last year. The following shows the assignment of teachers for the 1962-1963 school year:

Grade 1	Mrs. Bicknell	21 pupils
Grade 2	Mrs. Tatham	20 pupils
Grade 3	Miss Lachance	18 pupils
Grades 4-5	Mrs. Lewis	23 pupils
Grades 5-6	Mrs. Joyce	22 pupils
Grades 7-8	Mr. Finley	30 pupils
	Mrs. Dupuis	

The above enrollment gave us a total of 134 pupils beginning this school year.

Curriculum

We are continuing the use of Educational Television from the University of New Hampshire to supplement our own educational program. This facility is a very useful supplement to our program.

Our reading program is still being emphasized. Mrs. Bicknell and Mrs. Tatham attended summer school taking a course in reading. As a follow-up of this course, we are using a strong phonetic approach as a basic part of our reading instruction. At this time it is felt that this will add more strength to our reading program.

In the mathematics program we have been trying a modern mathematics approach at the Junior High School level. This approach holds promise of enabling our students

to better understand our number system as well as gain more competence in its use.

Budget

The budget is up $11,069.99 over last year. The largest increase is $4,787 due to the increased cost in tuition payments for our pupils attending high school. The teachers' salary account is up $4,700 due to placing Mrs. Dupuis on full time to enable us to effectively operate our French program and salary increases for teachers. Transportation has increased $754 and the balance of $629 is distributed in small amounts over other accounts in the budget.

I would like to express my appreciation for the support given our school system this year by the School Board and the citizens of New Hampton.

Respectfully submitted,

HERMAN N. DONEGAN
Superintendent of Schools

Auditors' Certificate

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the Treasurer of the School District of New Hampton, N. H., of which the above is a true summary for the fiscal year ending June 30, 1962 and find them correct in all respects.
